

[fake] Youth Sailing Program - bylaws

1. We could add by-laws as another thing in “Members Only”. This would be easy to do.

2. Or, put the Bylaws and Forms within “Youth Sailing”. This may be more effective, keeping the Youth Sailing stuff all together.

Youth Sailing Program

In 1993, the Cape Fear Yacht Club (CFYC) established a premier Youth Sailing Program.

In collaboration and partnership with the Oak Island Parks and Recreation Department, we offer an annual Summer Youth Sailing Camp.

Celebrating its 28th year, the Sailing Camp is the only one on the water program in the area. In addition to having fun, the focus of this one-week course is learning the basics of sailing, including knotting, reefing, and how to start a boat.

By-Laws
